JUNE 1, 2009

Mark your Calendar:

Annual Meeting:

Just a reminder the Annual Meeting is scheduled for Tuesday June 9, 2009 at 7:00 pm with dinner prepared by Mary at 6:00 pm.

Yard Sale

Members get ready for the Cooperative wide yard sale on Thursday June 4th, Friday June 5th, and Saturday June 6th.

Remember Dad

Don't forget, Father's Day is June 21st. Take some time to do something special for your dad and let him know how much you care.

Salute To the Flag

"You're a grand old flag,
You're a high flying flag,
and forever in peace may you wave."
- George M. Cohen

June 14th is Flag Day, a time to commemorate the day in 1777 when the Continental Congress adopted the Stars and Stripes as the official flag of the United States. Here's a salute to Old Glory and the principles of freedom and democracy she represents!

Watch For Children

School is out and the children are everywhere! Please be extra careful driving, through the cooperative during the summer months. You never know when the children will dart out into the road or parking lot while they are playing. Thanks for driving safely throughout our community.

Guidelines for Keeping Cool

With summer heat upon us, please remember these guidelines when using your air conditioning: Set the temperature controls no lower than 72 degrees. Keep lamps, TV sets and other heat sources away from your air conditioner thermostat. Make sure furniture placement does not block or obstruct the vents in your home. Keep doors and windows closed and blinds

closed to help deflect the warming rays from the sun. Your cooperation and planning will save energy and allow for the most efficient use of your air conditioning.

Plan Before You Go!

If you are planning a vacation this summer, follow these safety tips to protect your property while you are away. Arrange for a neighbor to collect your mail, paper or have the post office hold your mail while you are away. Use programmable timers so lights turn on as they would if you were home. Check to make sure your smoke detectors are working properly. Give a neighbor your itinerary with phone numbers, so you can be reached in an emergency. If you let the office know when you will be away we can also keep an eye on your home.
