Power Outages

When there is a power outage, please do not call the Office as the Office will also be without power and wi-fi and we cannot answer the phones or receive/respond to email messages. If there is a power outage or a Transformer blows, please call Lansing Board of Water and Light at 517-702-6006.

Trash Disposal

Please remember to put trash directly into the dumpsters and not alongside of them. Besides becoming smelly, loose trash attracts rodents, is a health hazard and is ugly to look at. If you notice that a trash disposal area is not being kept neat, please call the Office. You can help keep your cooperative beautiful by putting trash in its place! Also, if you are having a minor take out the trash, please ensure they are placing it in the dumpster. If your dumpster lid is open please help by closing the lid. Please do not put large items in the dumpster, put it beside the dumpster. Please do not leave any trash bags by your front or back porch areas as they attract rodents and do not make the property look nice and neat. If you see that there is no room in the dumpster for more trash, please take it to another dumpster to put your trash in. Please break down any boxes before putting them the dumpster. If you are throwing a mattress away please wrap it in plastic. Any questions about trash removal please call the Office. Also, if you see any "illegal" dumping into Village's containers, please report this to the non-emergancy Lansing Police Department with the vehicle information.

July Board Meeting.

The next Board Meeting will be Monday
July 27, 2026.

Beautiful Summer Time!

Have you noticed the beauty all around you now that summer is in full swing? The staff has been putting forth their best efforts to keep the grounds beautiful and our members have too.

Speed Limit

Just a reminder to all members that the speed limit on all city streets is 25 miles per hour unless posted otherwise. Please slow down while driving throughout Village, especially with minors crossing the street to go to Attwood Park or home.

Theft Prevention (Please Review)

Please do your part to help deter theft and damage to your property by locking your home, your vehicle and bicycles. Lighting is one of the best deterrents of theft, so we encourage you to use your porch lights and report any lighting issues to the Office. Finally, if you notice something out of place or "odd" please call the Lansing Police Department at 517-483-4600, or dial 911 if you observe a theft in progress, and follow up with the Office on the next business day.
